As our 50th Celebration is getting closer. I spent some time going through old photographs and articles. It is amazing what some of the past Monterey Bay 99s have done. The next time you come to a meeting take a look at our rich and incredibly inspiring history. We have members competing in numerous air races, interviewing Amelia Earhart (yes that's right), Flight Instructors, charter pilots, and fashion designers. If you have a few minutes take a look at some of the biographies that are on our website <http://www.montereybay99s.org/bios.html> . If you did not know we have a biography page on our website you are in for a real treat.

If you have any older pictures from previous years that you would like to share as part of our 50th celebration please email me a scanned version, or bring me your picture and I will digitize it. I would love to add it to a special anniversary slide show.

Join us Labor day [weekend](#) to help register pilots at the Watsonville Fly-in. Email or Call Jeanne Sabankaya if you can volunteer a few hours on [Saturday](#). Mark your calendars the Salinas Airshow is just around the corner September 26 - 27, lots of fun to be had.

Fly Safe Fly Often.

ZOE DELL NUTTER—INDUCTED TO DAYTON REGION'S WALK OF FAME. Luncheon & Induction Ceremony is on September 24, 2015 @ the Sinclair Community College in Dayton, Ohio.

Zoe helped found our Ninety-Nines chapter. See the attached flyers and information about her. Zoe just turned 100 years old.

At our last meeting, Joanne was passing out airplane cookie cutters to those members who would like to make airplane cookies for the Hospitality Room for our Section Meeting. In keeping with that subtle hint to start baking those cookies, here are some recipes you can try if you don't have any. Just about any cookie can be frozen and thawed right before the conference. With that said, "Let's start propping."

BUTTER COOKIE AIRPLANES

Recipe #1

Makes 4 dozen

3 Cups flour
2 sticks salted butter
1 Cup sugar
1 large egg
1 teaspoon vanilla
2 teaspoon baking powder
3 Tablespoon milk

OR

Recipe #2

Makes 5 dozen

2 ½ Cups flour
1 stick butter or margarine
½ Cup sugar
1 extra-large egg
1 teaspoon vanilla

OR

Recipe #3

Makes 2 dozen

4 Cups sifted flour
2 sticks unsalted butter
2 Cups sugar
2 large eggs
2 teaspoon vanilla
1 teaspoon baking powder
½ teaspoon salt

Recipe #4 (Biscochitos) (New Mexico's state cookie)

Makes 2 dozen

3 Cups flour
1 ¼ Cups lard or vegetable shortening
1 Cup sugar Plus ¾ Cup for sprinkling
1 large egg
1 teaspoon vanilla
½ teaspoon baking powder
¼ teaspoon salt
2 Tablespoon orange-flavored liqueur such as Grand Marnier or triple sec
2 teaspoon anise seeds
2 Tablespoon water
½ teaspoon cinnamon
Zest of 1 orange (finely grated)

Directions for #1 recipe

1. Heat oven to 400°
2. Beat butter & sugar in bowl until creamy. Beat in egg & vanilla.
3. Mix baking powder & flour in bowl. On low speed, gradually beat flour mixture into butter mixture until combined. Add milk; beat until dough masses around beaters, 2 minutes
4. Cover dough with plastic wrap and put into refrigerator to make dough harder and easier to handle. Divide dough into thirds. Keep the other dough refrigerated until ready to use.
5. Lightly flour a clean work surface. Roll out each third of dough to 1/3" thickness. Use airplane cookie cutters or make your own airplane pattern by tracing a plane's silhouette onto a cardboard and use that as a pattern to trace and cut into the dough. Sprinkle with color sugar or sprinkles prior to baking.
6. Bake in 400° oven for 10 minutes on ungreased baking pan.

Directions for #2 recipe

1. Follow above directions except...
2. Roll out dough ¼" thick
3. Heat oven to 375° and bake 10-15 minutes or until edges turn golden, not brown.

Directions for #3 recipe

1. Follow directions for recipe #2 except...
2. Preheat oven to 325° and bake cookies for 15 to 18 minutes.
3. After cooled, can decorate with Royal icing.

Directions for #4 recipe

1. Combine ¾ Cup sugar and cinnamon in a small bowl and set aside.
2. Follow directions for recipe #2 except...
3. After cutting out airplane shapes, lightly sift sugar/cinnamon mixtures onto all the planes.
4. Place on parchment-lined baking sheet and freeze until dough is very firm, about 15 minutes.
5. Bake 12 to 14 minutes and rotate cookie sheet about 7 minutes later.

How to freeze cookies

1. Put into a container that can be sealed and free from contamination. Containers keep the cookies from breaking if stored in containers versus plastic bags. Freeze.
2. Use within 3 to 6 months.
3. Thaw for 1 to 2 hours at room temperature

ROYAL ICING

(Makes 2 1/2C)

1 pound confectioners' sugar, sifted

5 Tablespoons meringue powder (can purchase at Michael's)

Scant ½ Cup water

1. Combine all ingredients in the bowl of electric mixer fitted with paddle attachment. Mix on low speed until smooth, about 7 minutes.
2. If icing is too thick, add more water; if too thin, beat icing 2 to 3 minutes more or add more confectioners' sugar a tablespoon at a time.
3. Use icing immediately, or store in an airtight container up to 2 days (icing hardens quickly when exposed to air).
4. Beat well with a rubber spatula before using.

NOTES:

1. **NOT SURE HOW COOKIES WITH ROYAL ICING WILL FREEZE**
2. Can customize your dough to your own taste by adding a hint of cinnamon, grated lemon zest, bit of brandy, Jell-O for color or flavor, or other flavors or extracts.
