# Prop Wash

By Claudia Contreras

*Happy New Years.*

*I hope you had some relaxing times over the holidays we have a busy, busy year coming up. We start off with a Business Meeting in Camarillo on January 24th. Mid-April will be our Girl Scout aviation day at the Salinas Airport we will need volunteers to introduce local girl scouts to aviation. Then in late April the Southwest Section is having it's spring Section meeting. This is a very important meeting for us as it is the meeting were we extend the invitation to the entire Southwest Section to attend the Fall Southwest Section Meeting put on by the Monterey Bay Chapter which will also include our 50th Anniversary celebration. Clear your calendars if you can. On May 15 - 16, Salinas will be hosting one of the AOPA fly-ins. We have been asked by Salinas Airport Manager Brett Godown to help with the camping area. What that entails will be discussed at the first planning meeting on February 3rd at 10:00 am. Anyone is more than welcome to attend. The meeting will be held at the Landing Zone restaurant. Please attend and bring your ideas. In July, the International Meeting in Germany sounds fun. Eight short months from now will be the Fall Section Meeting that is hosted by us. It's all coming together, but we need as much help as possible to get the finer details figured out and then to put it on. I hope you are all as excited as I am to get this going and seeing all our 99 friends in our own backyard.*

*Claudia Contreras*

Did a career day presentation and the hardest question I was asked is what do you hate about your job and I couldn't think of anything to say because I love what I do. It's got everything I love to do and I get paid to do what I love. Computer programming, flying, robots, Math. And I get to share it with the youth.

## Hospitality Volunteers

We are looking for volunteers to provide refreshments during our meetings. If you would like to volunteer please contact Joanne Nissen at 831-675-3950 or email [ewesfly@aol.com](mailto:ewesfly@aol.com)

## **Demystifying International Board Meetings—Member Report on Fall 2014 International Board Meeting, Oklahoma Headquarters**

**By Alice Talnack**

I had the opportunity to attend the Fall International Board Meeting at Headquarters, Oklahoma City. It was my first Board Meeting and I wanted to share with the MB99s some of the Board activities. On Thursday, at the Denver Airport I hooked up with Diane Cole, Director, and when we arrived in Oklahoma City she graciously showed me the ropes of rental cars, hotel, and dinner with other arrivees. What a great opportunity to just sit with other Sections and Chapters and chat about common activities and issues. Next morning, Friday – All Day Strategic-Planning! The International officers started this two-years ago and this was a progress report session and what next workday. I learned so much about the plans of our organization for the future and was listened to and asked for my input for the next two-years. How cool was that! More chats and meeting members from all over the country and other countries. Saturday – Fall Board Meeting – Reports, updates, what a hardworking team of International officers we have.

### International Board Reports:

Each officer gave an update on their respective responsibilities.

There were Headquarter Reports by legal counsel, finance and building maintenance.

### Conference Reports:

New Orleans International Conference – 190 attendees, made money- split between International and Section, all attendees and guests (70) had a good time and business got done.

### Conference Planning:

Munich 2015: Update, Tips – Internet will be free in the hotel lobby. Please check your cell phone coverage (cost/coverage) and credit card notification before you go.

Ottawa, Canada 2016 Presentation: July 6, 7-9

San Antonio, Texas 2017 Dates: July 11-15

Philadelphia, Pennsylvania 2018 Dates: TBD

### Trade Show Reports:

WAI, AOPA, Sun 'n Fun, EAA Oshkosh, Aviation Expo: Lightspeed Grant winners. PLUS ! A visit upstairs to see the Museum and chat with visitors. As an attendee I truly felt welcomed, and included. For those members that have attended Board Meetings or will in the future it was a once-in-an-organization bucket list item.

Monterey Bay Chapter's 50<sup>th</sup> Anniversary and Southwest Section Meeting Planning Summary—**Read through the information below to see where your help is needed, then call or email Claudia at 831-776-9972 or [clc\\_80@yahoo.com](mailto:clc_80@yahoo.com) and let her know where you will help.**

As the Monterey Bay Chapter's 50<sup>th</sup> Anniversary and Southwest Section Meeting approaches members have been meeting prior to our regularly scheduled meeting at 6:00 pm to plan.

Below is a list of what has been discussed and which member is taking ownership of that task.

Please contact Claudia Contreras, Coordinator, if you have questions, suggestions, or want to get more involved as the October 22-25, 2015 event approaches.

This is our 50<sup>th</sup> Anniversary and we need all members to help and celebrate our distinguished history!!!

Sun 08:00 am - 10:00 pm Brunch & Dinner

*Full bar & beautiful patio seating  
to take in the views!*

Slated to open  
February 24<sup>th</sup> 2015

# EXPANDING YOUR HORIZONS— STEM AT HARTNELL COLLEGE

By Claudia Contreras

Monterey Bay 99s present;

Claudia, Joanne, Michaela, Alice, Serena, Sophia, new student pilot.

It was wet, on November 22, but there was a good turn out of students. They loved the flight simulator, seeing the Foreflight IPAD technology and the Pigeon Pilot fold ups. Check out the expressions on the girls' faces!

I want to thank members Serena , Joanne, Alice and Michaela for helping me reach out to the young girls in the community. We had a flight simulator that attracted some people to our table as well as some pamphlets and our origami birds that volunteer Sophia Taylor became an expert at folding.

It was a lot of fun and we have been invited to return next year.

## Salinas Airport To Host AOPA West Coast Regional Fly-in, May 15-16, 2015

From the SNSA Airport Manager's Desk Brett Godown

Hello and Happy New Year! As many of you heard, Salinas Municipal Airport has been selected for the 2015 AOPA Regional Fly-In West Coast Stop. We are excited to announce the event will be May 15-16, 2015. We hope you will join us, have fun and contribute to the safety and success of AOPA's 2015 Regional Fly-In. The following is AOPA's announcement:

During 2014 more than 16,000 people attended AOPA's Fly-ins, which also drew more than 2,800 aircraft. AOPA received requests from more than 40 airports to host a 2015 fly in. Final selections were made based on a combination of location, runway and ramp capacity, facilities, prevailing weather, and several other important factors.

The AOPA Fly-Ins are designed to give anyone the chance to experience the fun, wonder, and excitement of general aviation. And for the first time, each AOPA Fly-In will kick off with a Friday night social event. Most locations will also offer on-field camping. Participants will be able to see, test, and buy the latest aviation products and services from exhibitors. Aircraft displays will feature everything from new models rolling off the assembly line to rare antiques and venerable warbirds. A variety of seminars and educational opportunities will be offered throughout the day with an expanded slate of speakers on aviation safety, maintenance, flying tips, and aircraft ownership. Attendees also will have the chance to hear directly from Baker during a Pilot Town Hall, and to ask questions and mingle with AOPA staff throughout the day.

Food is an important part of any fly-in, and AOPA will honor tradition by offering a pancake breakfast for just \$5. Lunch will be provided by gourmet food trucks or local restaurants, and special pricing will be available for attendees who register in advance.

Get more information and see a map of the locations on AOPA's 2015 Fly-Ins Web page. Attendees can pre-register beginning in February. Exhibitor registration is open now. For exhibitors, the AOPA Fly-Ins offer a unique opportunity to reach new markets, highly qualified prospects, aircraft owners, and pilots of all experience levels in a fun and relaxed environment. With new sponsorship opportunities available for 2015, the AOPA Fly-Ins give aviation businesses the chance for face-to-face encounters with thousands of pilots who are looking for the best aviation products, from headsets to software and from avionics to aircraft. Learn more and register as an exhibitor or sponsor on the 2015 Fly-Ins Exhibitor page.

## Whale Watching and Lunch with the Santa Clara Valley 99s, Saturday, January 17.

Yep, they saw whales! Photos by Carol Munch
