Happy & Healthy 2012!!!

So what does the start of a new year get you thinking about doing?

More flying.

More exercise.

More time for family.

More _____.

Or if you are like me, these all sound good for 2012.

It was so nice to see everyone at our holiday meeting. And yes, if you were not there we missed you. I have a feeling that some of this year's white reindeer gifts may reappear next year.

There are many aviation related activities coming up over the next few months. Please review the last pages of this newsletter and the agendas each month to plan ahead. I know that marking these events early on my calendar makes me feel committed to attend and participate. Each event reminds me of why I am a 99, a pilot, and to keep flying.

Our January agenda will address several MB99s open chair/director positions that are available.

To stay an active chapter we need every member thinking about which position you can fill and serve in over the next year.

Stay warm,
Alice

SWS Winter Workshop January 28, 2012 Hosted by Monterey Bay Chapter

The annual Winter Workshop being hosted by our Chapter needs volunteers to transport SWS members flying into and out of SJC, WVI and MRY. Volunteers are also needed to help with registration duties and any other tasks that might come up. Plans will be finalized at the January 18th Monterey Bay Chapter meeting, but don't wait until then to volunteer! You can call Alice Talnack at 688-8899 or email her at atalnack@comcast.net and let her know where you would like to help.

"Wanted: Alive!" Topic: Reining in the Fatal Accident Rate

Wednesday, January 11, 2012 at 7:00 PM

Location: Embassy Suites, 901 East Calaveras Blvd., Milpitas, CA 95035

Select Number: NR0341396 **Description:** The general aviation accident rate is not dropping. Despite advancements in technology, pilots continue to find themselves in the same accident-causing scenarios that have been plaguing us for years. Be part of the safety conversation as the Air Safety Institute digs a little deeper into the most common accident causes.

The 36th anniversary ceremonies at the International Forest of Friendship will be held in Atchison on June 15 (Fri) and 16 (Sat), 2012. [Come join us to make new friendships, renew old ones, and have a great time.](#) Honorees will be inducted to join the nearly 1400 individuals who are enshrined along the Forest's pathways.

The Forest's overall theme is "World Friendship through Flying." Candidates for induction can be anyone who has contributed, or is contributing to all aspects of aviation and aerospace. Honorees need not be pilots. In 2012, the specific focus is on: "Flying, Forests and the Future." Candidates are particularly encouraged who:

- have contributed to the promotion of aviation and aerospace, or who
- have helped preserve or explore forests and natural habitats through aviation and aerospace (support of state and local units fighting forest fires, aerial resource surveys [domestic or overseas], environmental work, etc.)

One of the 2012 themes is to emphasize achievements by younger honorees, so candidates who are under 35 are preferred, but this is not mandatory.

There will be a special ceremony to honor Dr. Wangari Maathai, who graduated from Mt. St. Scholastica College (now Benedictine College) in Atchison in 1964 and who passed away in September 2011. She founded the [Green Belt Movement](#), an environmental non-governmental organization focused on the planting of trees, environmental conservation, and women's rights. In 2004, she became the first African woman to receive the Nobel Peace Prize for "her contribution to sustainable development, democracy and peace."

The Forest would very much like to strengthen its ties with the Ninety-Nines in 2012, and hopes to induct twenty-five honorees sponsored by Ninety-Nines chapters. More information about the Forest, as well as sponsorship, registration and lodging information, is at the www.ifof.org website.

WANTED: MB99S TO FILL IMPORTANT POSITIONS!

- 1) Gabrielle Adelman, Scholarship chair, would like to turn over the chairwomanship of this activity to another 99. Duties are fairly easy, forms are all simple, and two exciting benefits are a once-a-year flight to all five airports in our chapter to deliver applications and a very satisfying phone call to the deserving and talented woman who is each year's winner, to tell her she won. Contact Gabrielle at 831-728-0692 or gigi@adelman.com if you are interested.
- 2) Dena Taylor has been the Logbook editor for several years, and now needs to turn this job over to someone else. Dena uses Publisher for the Logbook, but other formats could be used. It takes 3-4 hours a month to do the Logbook. Contact Dena at 831-462-5548 or detaylor@cabrillo.edu for more information. She will gladly train the new editor.
- 3) Human Race Coordinator. Talk to Alice Talnack or Laura Barnett for details.

MB99s December Holiday Party

MB99s celebrate the holidays at their annual party. Clockwise from top left: Ann Goldsmith proudly displays her white reindeer gifts; the “thing” in her right hand is a box with bird feet sticking out the bottom; tables of 99s enjoying the festivities; Donna Crane-Bailey holding Jody Robert’s baby Emily while Jody looks on..
