July is a very busy aviation month. There is the 99s International meeting and there is Osh Kosh. Two very good opportunities to meet a lot of pilots and talk aviation. If you are one of the lucky ones that gets to go to Osh Kosh, be careful and stay hydrated. Don't forget to talk to other women pilots about the great things that the 99s do in support for each other. Be prepared to come back in August and step it up for our section meeting.

We still need someone to volunteer to help with:

- Public Relations i.e. local media, Guest list
- Business Meeting i.e. check with Governor on equipment, needs, and speakers attending.

Everything else is being taken care of. Thank you to all that have offered their time and service.

Fly Safe, Fly Often.

Prayer For A Pilot_
Cecil Roberts

Lord of Sea and Earth and Air,
Listen to the Pilot's prayer-
Send him wind that's steady and strong,
Grant that his engine sings the song
Of flawless tone, by which he knows
It shall not fail him where he goes;
Landing, gliding, in curve, half-roll-
Grant him, O Lord, a full control,
That he may learn in heights of Heaven
The rapture altitude has given,
That he shall know the joy they feel
Who ride Thy realms on Birds of Steel

During our August planning meeting (starts @ 7 p.m.), we will be going through the last 10 years of meeting notes to identify highlights of what our chapter and members did each month of each year from June 2005 to the present. This information will be organized and used for our 50th anniversary celebration during the Fall Section Meeting.
