## Prop Wash

By Claudia Contreras

Summer is here! Time for flying and vacations.

The weather was perfect for airmarking Salinas airport on May 31 and June 1. The weather was warm and the wind decided to stay calm. We were able to complete the job in two days. Thank you to Michael Sersasio for taking the time to plot the letters, I know that involved a lot of math. Thank you to all the Ninety-Nines that showed up to help. Several SOPA members also helped out with the plotting and the painting. Brett Godown, SNS Airport Manager, was very generous and provided lunch for all the volunteers at the Landing Zone, and Helen, as always, was very accommodating.

It is always nice and a great thrill to see fellow pilots outside of the meetings. Luckily, it's time for the Watsonville Open House and later in the summer the Watsonville Fly-In and Air Show. We also have the Salinas airshow coming up. Also, I know that Salinas is looking at the possibility of having more activities at the airport. Stay tuned for more on that.

For now stay safe, stay out of the fog unless you are IFR current and stay hydrated.

## Air marking At Salinas

Thank you to all who helped with plotting and painting the 40 foot letters on the Salinas Ramp (and numbers). They are easily seen from the air.
