Prop Wash

June is here with all the busy schedules and activities, people planning trips, getting ready for July's international conference and AirVenture. June gloom is also here and we've already seen some of that. Whatever your plans are, take care, make safe choices and know there will be a lot more air travel in both GA and commercial.

Blue skies, Jeanne Sabankaya

The MB99s 2022-2024 election results are in

Chair - Micheale
VC - Jeanne S.
Secretary - Carolyn

Treasurer - Alice

Of the 39 eligible voters - 14 ballots were cast. That is a 36% vote.
No write-ins.

Congratulations to each of you.
Thank you for supporting the chapter.

According to the chapter by-laws installation of new officers is the third Wednesday of July. Our celebration will be at Jet West in Salinas at 7 p.m. as a potluck.

FedEx

As of May 31, 2022; FedEx no longer requires pilots to have a 4-year degree to apply, making it the last U.S. carrier to finally drop the formal education requirement. Start your training now to take advantage of such a lucrative industry! It still needs final approval but they will hire a degrees person before a non-degreed person.

WAAC (Watsonville Airport Advisory Commission) report is attachment. Thank you, Marjorie

Call for Nominations for 2022 **WOMAN PILOT OF THE YEAR**
(from southwest section)

The 2022 WOMAN PILOT OF THE YEAR and PROFESSIONAL WOMAN PILOT OF THE YEAR will be revealed at the Fall Southwest Section Meeting on Sept 29, 2022. Our organization is filled with women of tremendous accomplishments. Each one has such an interesting and fascinating repertoire of flight experiences and contribution to the 99s and the aviation community. Each year we celebrate one or two of our members for her achievements and to inspire other members. I urge all you, wonderfully talented women pilots to take a look around you and at yourself for potential candidates to be nominated for Woman Pilot of the Year or for Professional Woman Pilot of the Year for 2022.

The instructions for the Fall Section Meeting are on the Southwest Section web site. You may send it USPS or electronically. The deadline is September 1, 2022.

Our May meeting was held at Sandy Pratt's home in Carmel. Top photo is Sandy in her front yard with her beautiful white wisterias.

Other photo is next to her painting inside her home with Kay, Alice, Mona, Mercedes, Sandy and Theresa. We enjoyed lunch in her patio, and our meeting and election of officers. Sandy graciously took us to her art studio, which is behind her home. There was evidence of paintings in progress as well as many beautiful pieces. Thank you, Sandy, for sharing your lovely home with us.

Jeanne and her grandchildren visited San Martin Airport's family day. The kids are sitting in the jump plane, they saw aerobatic fly-over, checked out the plane with pontoons, saw the aero-med helicopter, watched sky divers, tried out several food truck items and had to stop at the toy vendors.

Monterey Bay Yearly Chapter Dues and Donations 7/1/2021 – 6/30/2022

This year has again been financially different for us as a chapter. Our previous fundraising activities are no longer available to us. So, the membership voted to put our local Aviation Scholarship on-hold until we can find a funding source to cover the expense. We are currently seeking fundraising ideas. If you have suggestions, please contact one of the officers to place your idea on a future chapter meeting agenda. For now, donations through **SmileAmazon** purchases are turning out to be a good source of revenue. **SmileAmazon** can be used by anyone, not just MB99s. So, spread the word to your family, friends, and business associates. Every purchase counts. If you have questions about how to use **SmileAmazon** and designate the Monterey Bay Chapter as your charity, contact me, Alice Talnack, Treasurer.

As the end of the Monterey Bay Chapter's fiscal year comes to a close the chapter officers want to **Thank** the following members, Friends of the 99s, sponsors and supporters for their generous donations during this year.

Barnett, Laura - Chauvet, Sarah, - Dugger, Carolyn – Harmon, Kay - Harris, Leritha – Hendrickson, Jeanne – Kendrick, Mona - Kirk, Petra - Levandoski-Byers, Theresa – Nissen, Joanne – Pratt, Sandy -Sabankaya, Jeanne -Serasio, Michaele – Specialized Helicopters, (WVI) -Talnack, Alice – Thorne, Nadine – Vileisis, Cat – Welliver, Beth

Examples of how your dues/donations are used throughout the year(s) are:

We donate to the Women Pilots Museum, Amelia Earhart Birthplace Museum, the 99s Endowment Fund, EAA, NIFA and help fund projects at our International Headquarters in Oklahoma City.

Locally, your dues help the chapter to preserve our history, maintain our storage hangar, aviation library, cover the expenses of monthly meetings and communications, expenses for various aviation presentations and activities, aviation related toys for the KSBW "Share Your Holidays" program, sponsor inductees to the Forest of Friendship, new member badges, and our long-standing **Aviation Scholarship Program** for a local female applicant seeking her pilot license or a new rating and more...
