# ARE YOU PPT?

Use this Proficiency Training Program form to register your activities. Awards will be based on the total number of members who participate, not just how many active pilots take part, so as not to penalize chapters with non-flying members. So let's document all those activities and get the forms in to Carolgene Dierolf, our Proficiency Training Coordinator.

## Prop Wash

By Michael Serasio

The Day in the Sky was very successful from what Tom Hail says in his e-mail to me. Apparently 451 passengers (214 Young Eagles) were flown by 47 pilots and planes. I wish I could have been there! Anyone

The Human Race is fast approaching us on May 9, 2009. I'm trying to break the \$100.00 mark as a personal goal. Those that are busy or cannot run can support those of us that are!! \$5.00 here or there adds up.

Alice and I will be attending the Spring Section Meeting in Glendale, AZ May 1 -3. The Chapter History poster that Nic Kinsman put together is finished and on its way to Glendale. I had it mailed to me at the Hotel as it is 3ft by 3ft on hard foamboard. I do not think the commercial airline will allow me to bring it as a carry on. I am sure that we will bring that prize back home!!

I will not be at the May meeting as my son (George) graduates from Military Training in Fort Leonard-wood, Missouri May 20 & 21.

Sincerely, Michael S

***The May 20 meeting will be a potluck and we'll be getting ready for the Airshow. Bring some food to share! We'll start at 6.***

### Swap Meet in June!

Our June chapter meeting will feature an exchange of aviation-related items. This idea occurred after Sandy Pratt wrote that she had done some spring cleaning and found several items to donate to the 99s. So we're asking all 99s to rummage through their closets and desks and retrieve those clothes, plotters, books, knee boards, etc., that you no longer use. Some other 99 may treasure these! Bring them to the June 17<sup>th</sup> meeting and join in on the give-and-take!

## UPCOMING EVENTS

### The Human Race--Saturday May 9, 2009

This year marks our sixth year to participate in The Human Race, Fun Run and Walkathon and I would like to invite all of you to sponsor a walker or participate as a walker. The course has been shortened this year, so if you're thinking about participating, it's just become easier! The Human Race has become our major fundraiser for The Monterey Bay Chapter 99s. It's easy, it's fun and you walk in one of the most beautiful areas of the world. Can't walk or you want to sleep in on Saturday morning? Sponsor a walker--it's simple! The past few years, I have asked friends, members of The Monterey Bay 99s and relatives for donations and I've never been refused. So ask those closest to you if they could sponsor a walker for a very worth while charity. Give me a call at 831-722-8491 or e-mail me at [bassfly22@yahoo.com](mailto:bassfly22@yahoo.com) for more information. Remember, your donation helps the community and our organization and is 100% tax deductible. —Laura Barnett

It is almost time for the Watsonville Fly-In & Air Show! May 22<sup>nd</sup> - 24<sup>th</sup>. Once again EAA119 will be judging aircraft and we need more people to help out. We need judges for all categories: experimental, military and vintage (don't worry, we will train you if you are interested). This year we also need clerks working with the judges to help with score calculating & tallying paperwork. If you would like to help with that, it is a good way to learn more about judging. Friday afternoon & Saturday are the key times for these activities, so if you can help out, let me know. ### SCHOLARSHIP POTLUCK MAY 17th

Come and meet Sal Valdes, our current scholarship winner, at the Scholarship Potluck on Sunday May 17th, rain or shine! It takes place at the **Watsonville Airport - Hangar X 6 - 1:00 p.m.**, across from Tom Hoyt Park. Please bring a dish to share as the 99s will not be cooking a main dish. Water and some soft drinks will be provided. You might want to bring an extra chair also! Please RSVP to Theresa Levandoski-Byers [gtbyers@earthlink.net](mailto:gtbyers@earthlink.net) or 831-728-5511
