## Prop Wash By Alice Talnack

I am delighted to be serving as Chapter chair (again). I am looking forward to our 45<sup>th</sup> anniversary in November, and to helping plan and participate in all of the interesting work we do as a Chapter throughout the year.

First, let's thank the outgoing Board for their commitment to our Chapter the last two years, Michaela, Donna, Carolyn, and Sarah. Next, let's welcome the new board members, Donna, continuing as vice-chair, and Sarah continuing as treasurer. Mona will be serving as secretary. At our meeting in September each of us will talk about our roles, our goals, and see what you would like to continue, renew, start as a Chapter.

By the time you receive this issue of the Logbook the Watsonville Fly-In & Air Show will be over. I would like to thank each of you that helped with pilot registration and served as public information agents for the air show office during the event. At the September meeting I will place this event on the agenda for feedback to take to the Air Show Board about the event, change of date to Labor Day weekend, etc.

Get flying !!!

Alice

Dear Southwest Section WPOY,

Yes, I'm referring to YOU! Every women pilot is worthy of this prestigious award. And the application process is fairly simple. All you have to do is download the application from the Southwest Section website <http://sws99s.org/section/wpoy.html> and follow the directions. There are many special accomplishments and achievements out there and they should be highlighted and shared. Please take the time to complete the application and send it to Pat Prentiss by September 15, 2010. Nominations are encouraged.

Should you have any questions, please do not hesitate to contact me.

Sincerely,  
Pat Prentiss  
WPOY Chairman
