Prop Wash By Michael Serasio

Dear Ladies,

I am excited to get ready to go to Hawaii for the International Conference to meet our 99 sisters from all over the world! Several of our own Chapter members will also be going. I am studying about Oahu & Pearl Harbor and Hawaii & King Kamehameha. One of us will report to the Chapter at the July meeting.

I attended the Watsonville Fly-In & Air Show Annual BBQ and Auction Fundraiser June 26 from 6pm-9pm. Members Carolyn Dugger, Donna Crane-Bailey, Alice Talnack, Sarah Chauvet and Kryss Crocker were also there. It was good to network with 49 1/2s and with pilots from other organizations to do some hangar flying. The Ninety-Nines booth was up and looked great as a bar! Shopping was at the silent auction. They had a nice band, "No Respect." It was a beautiful day and the turn out was sensational. The food was delicious. The live auction was spirit-filled as people bid on everything from a newspaper ad to a surfboard to a ride in a P-51 Mustang. I am sure that the Watsonville Fly-In and Air Show were able to get their much needed funds.

Our Board is trucking right along with getting the 2010-2011 budget finalized. Soon we will have a new slate of officers.

Aloha,
Michael

New Runway Crossing Procedure

Notice Number: NOTC2374

Runway Crossing Procedure Change

Beginning June 30, 2010, controllers will be required to issue explicit instructions to cross or hold short of each runway that intersects a taxi route.

"Taxi to" will no longer be used when issuing taxi instructions to an assigned take-off runway.

Instructions to cross a runway will be issued one at a time. Instructions to cross multiple runways will not be issued. An aircraft or vehicle must have crossed the previous runway before another runway crossing is issued.

This applies to any runway, including inactive or closed runways.

Changes will also be made to the Aeronautical Information Manual (AIM) and AIP to reflect the new procedures.

Never cross a hold line without *explicit* ATC instructions.

If in doubt ASK!

Reminder: You may not enter a runway *unless* you have been:

- instructed to cross that specific runway;
- cleared to take off from that runway; or
- instructed to position and hold on that specific runway.

See https://www.faa.gov/files/notices/2010/Jun/Runway_Crossing_Procedural_Change_FAST_Blast.pdf for the Runway Safety notice. Click this
